

Majestic Stone Polishing Compound

A professional grade, dust free stone polishing compound for restoring a beautiful shine to your stone surfaces. Ideal for restoration and/or periodic maintenance of polished stone floors and worn or etched areas.

For Use On: Marble, travertine, terazzo and other calcium based stones. Always test a small area to check for desired outcome.

Available Sizes: 1 lb., 10 lbs., 25 lbs.

Coverage: 250 sq. ft./lb.

Product Features:

- Maintains a beautiful and natural look for your floor
- Removes light scratches and etch marks
- Wetted formula eliminates irritating dust unlike other polishing products

THOROUGHLY TESTED

Directions:

1. Mask and tape off surrounding areas to avoid damages.
2. Remove all waxes and finishes from floor using Majestic Deep Cleaning Stripper Degreaser before first use.
3. Sprinkle 2 scoops of the compound on the floor in an area the size of the buffing pad.
4. Place machine on powder, wet floor and begin buffing in a circular motion in a 3'x3' area. Be sure to maintain a wet slurry.
5. Vacuum or mop up after 45 seconds of buffing or when desired shine is achieved.
6. Mop the area with Majestic No-Rinse Neutral Cleaner.

Quick Tip: Can be used to touch up high traffic areas, no need to do the entire floor.
