

Majestic Tile Polish 1 and 2

Our two-step polishing process is designed to renew and restore a beautiful, like-new look to unglazed ceramic and porcelain tiles. Available for both light and dark tile and grout. Tile Polish is safe to handle and use in all areas. Restores old and worn tiles while thoroughly cleaning dirty grout lines.

For Use On: Porcelain and ceramic tiles

Available Sizes: 6 lbs., 20 lbs.

Coverage: 250 ft./lb.

Product Features:

- Restores old and worn tiles
- Thoroughly cleans dirty grout
- Easy to use with standard buffing machine

THOROUGHLY TESTED

Directions:

1. Protect all adjacent surfaces with masking film/plastic.
 2. Remove all waxes and finishes using Majestic Deep Cleaning Stripper Degreaser.
 3. Wet area and place 1 scoop (5 oz. per 25 sq.ft) of Tile Polish #1 on the tile floor.
 4. Place the natural hair pad and machine over the mix and begin buffing the area - moving the machine constantly. Approximately 10 min/25 sq.ft. Squeegee slurry to adjacent area and repeat.
 5. Re-wet honed area and buff again to loosen residue. Wet vacuum, rinse, mop and let dry. Buff with a white pad to remove any leftover residue.
 6. Repeat process with Tile Polish #2.
- Seal with Majestic Impregnating Sealer to protect tile and grout from future staining.
