

Majestic Color Enhancing Sealer

A professional grade solvent based penetrating color enhancing sealer for deep protection of your stone surfaces. Advanced proprietary solvent formula ensures the deepest penetration and protection from oil and water staining while bringing out the color of the stone.

For Use On: Marble, granite, limestone, travertine, terrazzo, slate and other porous stone surfaces.

Available Sizes: Gallon, 5 gallon, 55 gallon

Coverage: 300-1,500+ ft/gallon

Product Features:

- Enhances and protects your stone surfaces from water and oil born stains
- Properly protects your stone surface to ensure years of beauty
- Low smelling solvent
- Eases maintenance and cleaning!
- Significantly enhances color of stone!

THOROUGHLY TESTED

Directions:

1. Surface must be clean, dry and free of coatings or sealers. Clean/strip floor first with Majestic Deep Clean Stripper Degreaser.
2. Protect all adjacent surfaces with masking film/plastic.
3. Apply using a brush, roller, cloth, sponge or sprayer.
4. Buff dry any excess sealer that does not penetrate within 3 to 5 minutes with an absorbent towel or carpet bonnet.
5. Highly porous surfaces may require a second or third application to give full protection and achieve desired look. Wait a minimum of 1 hour between applications.

Limitations: Surface temperature must be between 50 and 90 deg. F (10 and 32 deg. C). Will not prevent etching from acid or caustic chemicals. May damage non-recommended surfaces; protect from contact. May darken some materials.

Cure Time: May be opened for foot traffic in 2 hours. Achieves a full cure in 24 hrs.
