

Majestic Mildew Stain Remover

Majestic Mildew Stain Remover is a blend of surfactants, sodium hypochlorite, water, conditioning agents and deodorizers designed to kill and remove mold and mildew from hard surfaces such as natural stone, tile, grout, walls, shower stalls and curtains, mats, painted and unpainted surfaces.

For Use On: Natural stone, tile, grout, walls, shower stalls and curtains, mats, painted and unpainted surfaces.

Available Sizes: Quart, case of 12 quarts, gallon, case of 4 gallons

Product Features:

- No scrubbing needed
- Safe for natural stone surfaces
- Great on shower stalls, tubs, tile, grout, shower cutains and mats

THOROUGHLY TESTED

Directions:

1. Always test a small area to check for desired outcome.
2. Spray or wipe Mildew Stain Remover directly on mold or mildewed area and let dry.
3. Let stand for 10 minutes.
4. Some surfaces may need to be wiped down to remove excess material.

Cautions: Contains bleach. A chlorine type odor will be present in poorly ventilated areas. If present, vacate the area as soon as possible. Do not return until any odors have dissipated. Do no use ammonia or acid cleaners with this product.
