**Available Sizes:** Quart, case of 12 quarts, gallon, case of 4 gallons, 5 gallon, 55 gallon

**Coverage:** 15,000 ft/gal

**Product Features:**

- Streak-free cleaning for all hard surfaces
- Quick drying
- Contains optical brighteners

## THOROUGHLY TESTED

**Directions:**

1. For normal cleaning, mix 1 part Neutral Cleaner and 20 parts water. For heavily soiled floors, add a greater amount of Cleaner.
2. Damp mop with a clean mop or apply with autoscrubber.
3. Allow floor to dry completely before allowing any foot traffic. If water streaks occur, simply buff them off with a soft cloth or white buffing pad.
4. For upper surfaces, mix in a spray bottle and apply with a sponge or soft cloth.

**Quick Tip:** Every 2 or 3 months, wet the grout lines with a "heavy" mix and scrub them with a bristle brush to keep your floors looking their best.
