

Majestic Heavy Duty Stone Machine

Majestic Heavy Duty Stone Machines are industry standards designed for the harsh environment of stone refinishing and polishing. These perfectly balanced heavy duty machines are the culmination of weight, speed, safety, power, and reliability. Available in 17" and 20" models. These quality machines are ready for action with two 25 lb. weights, water tank, and a diamond drive plate included. (13" and 15" models are also available on request.)

THOROUGHLY TESTED

Features:

- Telescoping handle infinitely adjusts from 37" tall to 48" tall for optimal operator comfort.
- Totally enclosed fan-cooled motor keeps out dirt and dust for longer motor life.
- Virtually indestructible gearbox
- Low current draw
- Dual steel operating triggers for left or right hand operation
- Totally enclosed motor units are ideal for the harshest conditions – dust, moisture, chemicals – and great for sanding or screening applications, stone care and concrete work
- UL/CUL Approved
