

Majestic 5X Polishing Powder

A professional grade stone polishing powder for restoring a beautiful shine to your stone surface. Ideal for a periodic maintenance of polished stone floors and worn or etched areas.

For Use On: Marble, travertine, terrazzo and other calcium based stones. Always test a small area to check for desired outcome.

Available Sizes: 1lb., 10 lbs., 45 lbs.

Coverage: 250+ ft./lb.

Product Features:

- Maintains a beautiful and natural look for your floor
- Removes light scratches and etch marks
- User friendly

THOROUGHLY TESTED

Directions:

Protect all adjacent surfaces with masking film or plastic. Remove all waxes and finishes with Majestic Deep Cleaning Stripper Degreaser.

1. Sprinkle 2 tablespoons of 5X Polishing Powder on floor in an area the size of a buffing pad. Plan to polish a 3 ft x 3 ft section of the floor at a time.
2. Place floor machine with natural hair pad on top of powder, wet floor and buff in a circular motion over the 3x3 section. Be sure to maintain a wet slurry.
3. Vacuum or mop up after 45 seconds of buffing or when desired shine is achieved.
4. Mop the area with Majestic No-Rinse Neutral Cleaner.

Quick Tip: Can be used for touch up in high traffic areas. No need to do entire floor.

Limitations: This product contains an acid, be sure not to damage adjacent areas of the floor or walls.
